### MESSAGE FROM CURLING ALBERTA

On behalf of Curling Alberta, I would like to extend a warm welcome to everyone attending the **2022 Curling Alberta Mixed Championship!**

To the athletes and coaches, **Congratulations** on your achievements to reach the provincial championship and good curling as you aspire to earn the title of provincial champion. Competing in this Provincial event is a true testament to your perseverance and dedication to your sport. We hope you will compete hard and embrace the wonderful experience ahead of you this week.

I would like to extend my utmost gratitude to Chair, John Desjardins, his host committee, ice techs and numerous volunteers for hosting this event. Without your support, the opportunity for these athletes to compete to represent Curling Alberta would not be possible. ## **Welcome to the Oilfields Curling Club**

We are honored to host the 2022 Curling Alberta Mixed Championship, in partnership with Curling Alberta.

Oilfields Curling Club and our host committee are happy to host the 8 teams vying to become the 2022 Alberta Mixed Champion. We know any of the teams will proudly represent Alberta at the 2022 Canadian Mixed Championships. We're sure you will enjoy the week of curling, great shots, and competition. We are known in the area for our great ice, and our icemakers will be up to the task.

Oilfields Curling Club is a club of 130+ members and is operated by the members. We have curlers from all of the communities in the Foothills area, including Black Diamond, Turner Valley, Longview, Millarville, Priddis, High River, Okotoks, and Calgary.

Please take some time to explore the area, you can wander downtown in Black Diamond and Turner Valley, or take a drive west of Turner Valley to Kananaskis Country for hikes, and south on Highway 22 to Longview with great views of the mountains along the way. Our volunteers will be happy to help make your stay in the area more enjoyable, please ask anyone of us for directions or suggestions.

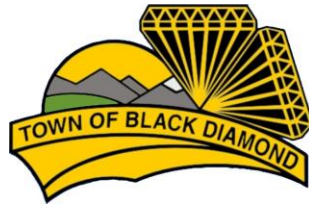

The Oilfields Curling Club and host committee would also like to thank the area communities, and businesses for their support to help us host this championship. Also, we are grateful to our 30 – 40 volunteers that helped us to be ready to host the teams from throughout Alberta.

Thank you to Curling Alberta, especially Michael Laderoute, for the guidance and assistance, it is very much appreciated.

We invite anyone in the area to take in the games at the Oilfields Curling Club, here in Black Diamond.

## *Serving Our Community*

Hello and welcome everyone,

On behalf of the council and myself, we would like to welcome players, coaches, family members and friends to the 2022 Alberta Mixed Provincial Championship here in Black Diamond. Our community takes great pride in hosting sporting events and we're elated to have you visit our beautiful town. Sportsmanship and a healthy competitive nature will surely contribute to a great tournament filled with memories, laughter and many smiles.

Black Diamond is a quaint town built along the Sheep River or Eetookiap River, as the Blackfoot call it. It was named after the bighorn sheep that can be found closer to the Kananaskis. Our off leash dog park takes you along the river, where a variety of fish can be found, along with some hidden swimming holes. The path system through Black Diamond will take you almost anywhere you need to go. Our Skate Park, Pump Track and parks for kids can be found along these paved paths and offer a great variety for families.

Take some time to visit our local shops, most within walking distance and take in the mountain view. Most shops are locally owned and their products are often produced by the people that live right here. They are proud to call Black Diamond home and will offer you stories about how they found their way here and why they decided to stay.

We wish you a successful tournament! We hope you enjoy your time here and make many fond memories in our picturesque town. Good luck to all those participating and to their families who are supporting them, from near or far!

All the best,

Mayor Brendan Kelly

On behalf of the Town of Turner Valley, I am pleased to welcome all athletes, family and friends to our little piece of heaven in the Diamond Valley.

Turner Valley nestled against the base of the Rocky Mountains is home to 2,511 residents and offers an inspired and relaxed lifestyle just 35 minutes southwest of Calgary. Our Community spirit and outdoor lifestyle inspire creative talent and nurture life better lived. The Diamond Valley area core businesses and shops are unique and have everything you need to enjoy your stay, be sure to pay them a visit while you are here; you will not be disappointed.

We take pride in the promotion of a variety of recreational activities in our community and wish to also thank all the community volunteers who work tirelessly to bring life to these events and continue to make a difference.
